As you will have seen on the news etc,
The Bishops of Scotland are currently working with the Government planning for a gradual opening of our Churches. This will be a different model for some considerable time. We are now preparing for the re-opening of our own Church.

This means we will have to follow government guidelines and prepare Our Church for a limited number of people at a time.

We will also have to have a rigorous cleaning system after each Mass or service. **If possible I would like to have 4 teams of four people to do this.** If you would be able to help with this please get in touch with Barbara and she will add you to a list and keep you informed of when and where you are needed.

We will keep you up to date with progress and hopefully in the next few weeks we should be much clearer on when we can start to gradually re-open.

It is a very difficult time but know that you are constantly prayed for and if anyone needs a chat we are available at all times, do not hesitate to call.

Fr Kevin is continuing with daily Mass in Private and is keeping you all in his prayers
